

Teaching the Word. Reaching the World!

### **ABOUT WBS' *IMPACT SUNDAY*, MAY 2, 2010**

There's nothing like World Bible School. No other ministry reaches millions with the Good News of the Bible. And involves thousands of Christians at almost 1,000 churches in world evangelism. And does so much, so cost-effectively. It's still true: **for every \$1.00 WBS uses, one soul studies the Bible.**

God blesses WBS as a powerful outreach tool in the hands of His people. With WBS, individual Christians fulfill the Great Commission themselves using interactive Bible lessons, both printed and electronic. The results are amazing. **Each year, more than 26,000 WBS students will study their Bible lessons to the point they request baptism.**

As your church evaluates worthy ministries to support, please give special consideration to WBS. Help us fulfill the Great Commission. Participate with us on our annual *Impact Sunday* with a special contribution. Schedule yours on our kick-off date on the first Sunday of May or a Sunday of your choice. *There's nothing like WBS.*

### **ABOUT WORLD BIBLE SCHOOL**

**WBS is one of the most proven, cost-effective means of taking the Good News to the world!** WBS' mission is simple. *To share Jesus with the world's lost by motivating and equipping a global network of Christians to use interactive Bible studies effectively.* WBS lets some 10,000 everyday, volunteer Christians take the Gospel into the whole world using interactive Bible lessons. These are Christians of all ages who *personally* teach truth-seekers who *want* to study the Bible. As caring pen-pals and online friends, they send notes of encouragement and the Truth of Jesus at the same time. WBS' Bible lessons have proven effective as mailed, printed booklets, text emails, and Web-based courses.

**For over thirty-five years, WBS has been a dramatically effective outreach method.** God blesses WBS in that:

- Many millions have been taught, with over 2 million studying at any one time, in literally every country on earth.
- Around 1 million *new* students enroll each year.
- Tens of thousands are baptized as a result of their Bible studies.
- Countless churches are being planted.

World Bible School is a tax-exempt, 501(c)(3) organization, a ministry of churches of Christ.
